

True To You Coalition

Live life tobacco-free.

TRUE TO YOU COALITION

The True to You Coalition is an initiative funded by the Connecticut Department of Public Health. The mission is to promote tobacco-free living among Connecticut's LGBTQIA+ community by preventing the initiation of tobacco use, and reducing current tobacco use. The coalition uses a three-pronged approach: health communications campaigns; healthcare provider outreach; and smoke-free events. Learn more at www.ctclearinghouse.org/true-to-you-coalition
