May is Mental Health Awareness Month

Childhood and Teen Anxiety

*When is it normal?
When is it a problem?*

Presented by

Aaron Krasner, MD

Child/Adolescent and Adult Psychiatrist
Silver Hill Hospital

and

Tracey Masella, LCSW

LCSW – Social Worker for the Adolescent Transitional Living
Program at Silver Hill Hospital

As in past years, the Southwest Regional Mental Health Board is organizing a number of events, trainings, and displays throughout the county to create public awareness.

With mental illness affecting almost 1 in 5 people,
raising awareness is critical.

The Southwest Regional Mental Health Board are co-sponsors of this program with the Norwalk Public Library and Silver Hill Hospital
