The Trauma-Informed School: A Step-by-Step Implementation Guide for Administrators and School Personnel

Jim Sporleder

No Letting Go

What would you do to save your child? A young teenager struggles with a debilitating mental illness as his mom risks everything to save him without losing the rest of her family.

Paper Tigers

This film follows 6 students from an alternative High School in Washington. The principal and teachers embraced a non-punitive, trauma-informed model of teaching and discipline in order to counteract the chaos and violence present in the school. Using the ACE's model in the classroom helped the students understand their negative emotions and create an atmosphere for success.
