dmhas

This publication is funded by a grant from the United States Department of Health and Human Services (HHS) through the CT Department of Mental Health and Addiction Services (DMHAS). Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Substance Abuse and Mental Health Services Administration or HHS.

Change the Script is a statewide campaign funded by the Department of Mental Health and Addiction Services to rewrite the narrative around prescription drug misuse and prevent overdoses in Connecticut. The campaign features two community resource vans that meet people where they live and work to provide medication safety, harm reduction, and educational materials.
