## [National Prevention Week](#)

National Prevention Week is an annual health observance dedicated to increasing public awareness of, and action around, mental and/or substance use disorders.

## [Purpose of National Prevention Week](#)

The three primary goals of **National Prevention Week** are to:

- Involve communities in raising awareness about behavioral health issues and implementing prevention strategies;
- Foster partnerships and collaboration with federal agencies and national organizations dedicated to behavioral and public health; and
- Promote and disseminate quality behavioral health resources and publications
