

**FREE WORKSHOP FOR PARENTS!**

# **Media messages surround us.**

Computers, smartphones and social networks connect humans like never before but also bring a scary reality - young people are often overexposed to harmful, inappropriate media messages and behaviors.

Join **Marc Fomby**, positive youth development and media literacy expert, and other **parents** to discuss:

- ◆ the risky messages & trends youth are exposed to,
- ◆ how to communicate with our kids, and
- ◆ ways to empower young people to be active, literate consumers of media

**June 25, 2012**

**7:00 - 8:30pm**
